

**SPECIAL PROCEDURE FOR QUESTIONS AND DEBATE ON THE BUDGET CONFERENCE  
REPORTS  
ADOPTED BY THE  
HOUSE OF REPRESENTATIVES  
May 5, 2011**

May 5, 2011

Questions and debate on the conference reports shall be limited to no more than the time specified on the attached chart. Members may ask questions within the time allotted, as recognized by the Speaker. Debate time will be equally divided between the Majority and Minority parties. In addition to the allotted time, the bill sponsor will explain and close each bill. Explanations should be focused on the differences between the original bill and the conference report.

After questions are completed, the floor managers from the Majority and Minority parties shall be alternately recognized in debate until their time runs out. Time not utilized is lost.

The Majority and Minority Leaders may each designate one floor manager. The floor managers may speak in debate and yield time to other Members to debate. Recognitions of floor managers must go through the Speaker. A Member may not be recognized more than once in debate on each bill.

No Member may be recognized for debate unless a floor manager yields time to that Member.

Adoption of this recommendation requires a waiver of the rules.

*There will be no other questions or debate on these bills or the adoption of the conference reports on these bills, other than what is specified in the attached chart.*

*We expect to temporarily postpone each bill after it is debated, and will vote on each bill once the time required by the constitution and our joint rules allows.*
